LTA Introduction to Padel Coaching

This course will provide Coaches with some elementary knowledge and skills to offer basic Padel coaching to their repertoire.

The learning outcomes for this course are:

- 01 Understand game situations and court positioning for Padel and how to teach them
- 02 Learn some basic ways of teaching players how to use the back glass
- 03 Understand and practice how coaching skills differ from tennis coaching to Padel coaching, including feeding
- 04 Learn and play some games to take back to your venue and use with your players

This course is worth five credits.
